

Timid Drawer Materials List

A Note From the instructor/artist Heather:

Hi there, I wanted to keep the supply list basic- but you will want a few quality items to get you started. Here is a list of them- you do not need to get these brands you can purchase whatever is accessible for you. In this class we will be focusing on black & white pencil work~H

1. Fundamentals Drawing set- [LINK](#) (includes metal sharpener, erasers, range of pencils from hard (h's) to soft (b's) & blending stumps & kneadable eraser
2. Sketchbook - [LINK](#) or [LINK](#) or anything with white smooth pages- shouldn't feel too rough prefer Ring spine opening vs "bound"
