Materials List for “Impressionistic Landscapes”

First, please feel free to bring whatever supplies that you have ... as this is just my list :)

Paints - water soluble oils - (I use Winsor Newton or Holbien Duo) - 37 ml tubes

Titanium White (if you wish for white only - a 200ml tube but 37 ml is fine, too, you will use more white over time)

Indigo

Ultramarine Blue (any variety, French, light, dark ... all are fine)

Olive green

Yellow Ochre

Burnt Sienna

Alizarin Crimson (least important and you won't use much of it)

Optional Colours

Cerulean Blue

Cadmium Red Hue

Brushes -

(bristle or synthetic brushes meant for oil/acrylic)

I love to use Flat bristle brushes - sizes 4, 6 and 8 (optional would be a 2 or a 10)

Palette knife if you have one!

My favourite one is DeSerres Brand #2006

Canvases - (squares are my favourite)

and either stretch canvas or canvas boards (both are fine)

Sizes such as 10 x 10, 12 x 12, or 14 x 14

also rectangle canvases are just fine as well 10 x 12, 11 x 14, 12 x 16

(just a couple for the first class)

Other Supplies

disposable palette sheets to mix your paints on
paper towels or old rags
a plastic container for water
pencil
rubber gloves (if you wish to paint with them on)

table top easel for ease of painting

table cover for OAS studio tables

Tips

Feel free to bring a notebook but I will have handouts as well!

I find a box in the back of your car that fits your canvas sizes is handy for getting a wet painting home.

And sometimes I just wrap my brushes in a rag, put them in a bag and clean them with soap and water when I get home. Just shape and leave them to dry.

With colour choices ... please don't worry ...
if you have other blues or greens, we can work with that ... my priorities for painting are shape, value and then colour ...

I find colour to be a very personal thing

Again, please don't hesitate to contact me if you have questions

Very best, Barbara
