

Materials List for Dynamic Watercolour and Ink Techniques with Instructor Jacintha Krish

My preferred water colour tubes are listed below. I have listed the colours, not the brand.

Different brands have varying names for colours. As close as possible to the listed colours would be fine. DaVinci has good medium grade water colour tubes. Reeves and Winsor and Newton are well established brands. Please bring whatever you have as well.

Alizarin crimson
Cadmium or Hansa yellow
Magenta and/or any colour of red
Burnt sienna
Ultramarine blue
Yellow ochre
Teal
