

Group of Seven's Painting Styles with Susan Del Bianco Material List

This is a class for beginners, but if you have more experience, I recommend a higher quality acrylic or aqua oils paint. To the beginners, I am recommending just the basics to keep the cost low and leave it up to you to decide if you will be continuing to paint, you may want to upgrade your paints as it does make a difference.

You will need;

1-16 X 20 canvas to start

+ additional canvases, your choice of size for your project.

Synthetic brushes: Angle brush size 4, Flat size 1 & 4, Small Pointed brush for details. Optional - Filbert size 4 is great for contouring.
