

Susan del Bianco Materials list

This is a class for beginners, but if you have more experience, I recommend a higher quality **acrylic paint**. To the beginners, I am recommending just the basics to keep the cost low and leave it up to you to decide if you will be continuing to paint, you may want to upgrade your paints as it does make a difference. **Aqua oil paints**, there are not that many out there and I have used them all and have been happy with the outcome.

You will need;

16 X 20 canvas

Synthetic brushes; **Round** size 1, 4, 8 **Flat** size ¼, ½, 1" **Filbert** (optional) size 4 great for contouring.

Paints; titanium white

Phthalo blue is my favourite, ultramarine is good as well.

Cadmium yellow medium

Cadmium red medium

Burnt umber

Phthalo green

Yellow ochre

Mars black

*** If you have other colours or brushes bring them too.**

Pencil, ruler, cup for water, tablecloth for tabletop, palette for mixing paint, paper towels or rags for cleaning, sanitizer for hands
